### Baptism Statement:

As a demonstration of my faith in Jesus Christ and His redemptive work on the cross for my salvation, I desire to be baptized as an outward sign of my fellowship with Christ. I understand that salvation is a gift from God that is by grace through my faith. I understand that salvation is a gift that cannot be earned. I understand that in being baptized that I will be immersed in water symbolizing the death, burial and resurrection of Christ. By accepting Christ as my Savior, I walk in newness of life. My old life apart from Christ is behind me and I now embrace my new life with Christ as my Lord and Savior.

My signature below attests to my understanding of, and agreement with the above Baptism Statement.
